

## GUIDELINES FOR POSTER PRESENTATION

The posters to be presented must obligatorily follow the following instructions:

- Dimension: 100 cm high, 75 cm wide;
- A full-width initial column, which must contain the title of the article, the authors and their affiliations and contacts. Also, in this space, institutional images/logos and others related to research support and sponsorship should be placed;
- Two columns follow, their width being optional. The left column should contain: Introduction, Objectives, Study Area, Methodology and Bibliography; in the right column the Results, Discussion and Conclusions.

The placement of an image or background color is at the discretion of the authors, as shown in the following examples:

The posters will be sent by the authors, in editable format (the project) and in pdf and high quality image, to [simposios@riscos.pt](mailto:simposios@riscos.pt), until 30 of June 2022, for timely loading on the event's website.
